

FY19/20 - FY20/21 IMPACT REPORT

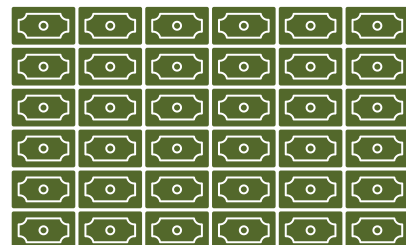

Educating, Engaging and Uniting to achieve
food security for all in the Carolinas

ADVOCATING, LEVERAGING, SUPPORTING & SHARING

*Advocating and sharing the work of our member Food Banks allows FTC to leverage resources provided by our partners and friends in astonishing ways. **For every \$1 of FTC operating expenses, FTC provided \$36 of direct financial support to help feed those in need across the Carolinas.***

 \$1 = \$36

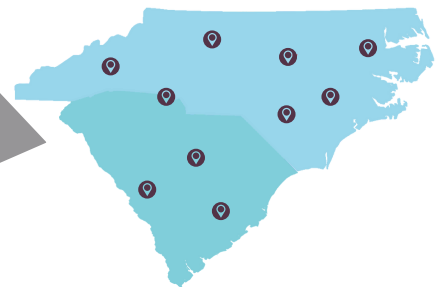

Successfully advocated for \$17 million in CARES Act COVID19 relief funds provided to the Food Banks.

\$17M

\$10.5M

Facilitated and distributed over \$10.5 million in funds raised by FTC to member Food Banks in support of their work.

TRANSFORMATIONAL SERVICES

Farm to Food Bank

Through the Farm to Food Bank program, Feeding the Carolinas sourced and distributed **49 million** pounds of fresh produce, of which **19.1 million** was taken by FTC Food Banks with the remaining fresh produce shared with Feeding America Food Banks across the nation. **Over 50 growers in the Carolinas provided 17+ varieties of produce.**

Disaster Relief

Serving at the States' Emergency Management headquarters when a disaster hits, going on-site to assist with coordination and logistics.

The Voice of Food Banks: Serving as a spokesperson and voice for the Food Banks in the Carolinas.

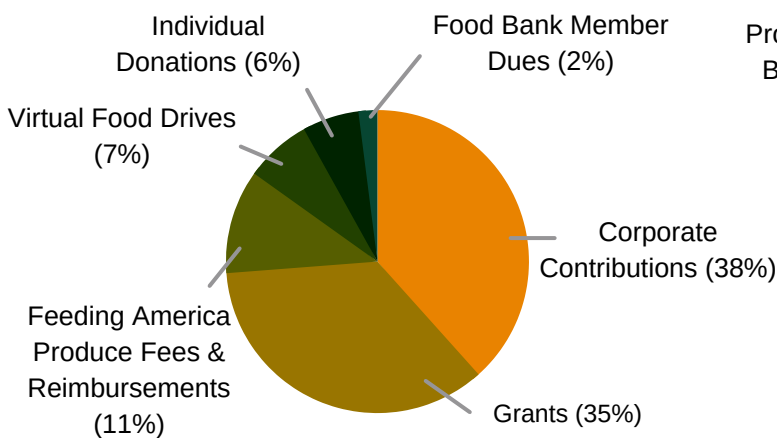

Coordinating Disaster Relief with Resource Partners: Including the Disaster Support team from Feeding America, Baptists on Mission, Red Cross, Salvation Army and others.

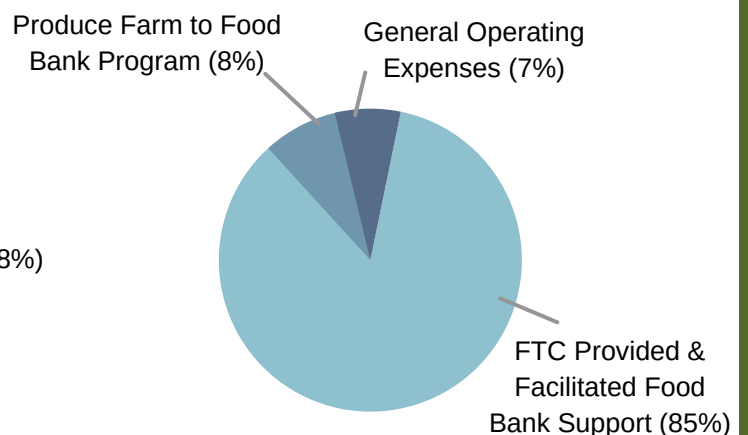

During the pandemic, FTC facilitated the deployment of National Guard in NC and SC to assist with COVID-19 relief/support including mass mobile food distributions and logistics/warehousing support.
